Re: SEC v. John D. McAfee & Jimmy Gale Watson, Jr., No. 20 Civ. 8281 (JGK)

Dear Judge Koeltl:

Pursuant to this Court's Order dated December 23, 2020 (D.E. 13) (the "Order"), plaintiff Securities and Exchange Commission (the "SEC") respectfully writes to provide an update concerning service on Defendant John D. McAfee ("McAfee").

As the SEC informed the Court on December 23, 2020 (the "Letter"), the SEC began the process of attempting to serve McAfee via the Hague Convention on October 22, 2020. Since the date of our Letter, the SEC has been in touch with the relevant Spanish authorities to inquire as to the status of Hague Convention service, and has recently learned that the relevant authorities expect to be able to serve McAfee imminently.

Pursuant to the Order, the SEC will inform the Court of any update to this process by April 15, 2021, or when Hague Convention service is effected, whichever is sooner.

Respectfully submitted,

Jorge G. Tenreiro

cc: Defendant Jimmy G. Watson, Jr. (via email).
